March 2013

Simulcast Ministry:

Simulcasts are off to a great start this year. In addition to students throughout Alaska we now have students in Whitehorse, Canada who have been taking classes online and on one occasion we took our equipment to Whitehorse and simulcast the class from there.

Village Travel:

This has been a very busy year so far with trips to the villages on the west side of Alaska. In January I visited Point Hope and Kotzebue teaching three classes. Then it was on to Togiak for two more classes before traveling on the road system to teach Romans at Tok, Alaska. In March it was a trip to Dillingham for one class and on to Point Hope and Kotzebue for three more classes.

Pastor Installation at Point Hope:

In March, I was asked to represent the Alaska Ministry Network for the Installation Service for U.L. Johnson the new pastor of Point Hope Assembly of God. There were seventy-five people in attendance. I preached the installation message and Brother Roy Welch had the honor of presenting the "staff" to U.L. In addition to passing the staff, Brother Welch also passed the baton of Leadership of Point Hope Assembly.

Summer Itineration in Florida:

We will be spending June and July itinerating in the Florida Peninsula District and then attending General Council in Orlando. Susan has been scheduling services and we will be staying at the Royal Rangers Campground at Ft. Meade, Florida.

It was really nice of one of our Alaska ministers to volunteer to stay in our home while we are away.

A Note from Susan:

I do want to thank everyone for their prayers for my health issues. We have seen a great improvement and I know it is the result of so many prayers going up for me.

The chronic pain I have been living with is now under control, and Praise the Lord I can look forward to better days ahead.

Thank you for your prayers, not only for my health issues but for Wade's safety while traveling. Flying to the villages can be dangerous depending on conditions. The same day he flew into Dillingham, a cargo plane went down there. So please continue to keep him in your prayers. Thank you.
