

Christmas Newsletter December 2012

We wish you and your family a very Merry Christmas. This is a time to celebrate the birth of our Lord and enjoy time with family; it is also a time to reflect on His many blessings over the last year.

We are truly celebrating all that God has accomplished this year. As we look back we are amazed in the ways our Lord has opened doors for this ministry. We have had 27 Simulcasts, at different locations throughout the State of Alaska; traveled to seven villages at least once and some as many as five times. We have also taught 5 classes at the Wasilla Masters Commission; and attended the National DSOM Meeting in Springfield, MO. New Teaching venues have begun on Kodiak Island, and in Kotzebue as well this year. Of course the highlight of the year for me was my trip to China where I was able to minister throughout the month of June.

In addition to His blessing our ministry, He has blessed us personally by his provision over the last year. It has been a very difficult year for much of our country both economically and physically with weather causing hardships for so many. Here in Anchorage, we had the most snow last winter since 1950. However God has been faithful with his provision through it all. Our cars have kept running (and the snow blower), we have had no major medical issues and have been given the opportunities to share His love with family and friends. We have been truly blessed this year.

We once again wish you the Merry Christmas and hope that you enjoy this token of our appreciation for your prayers and very generous financial support through US Missions. You are a vital part of this ministry and we could not accomplish what we do without you.
