

The Cogan Courier

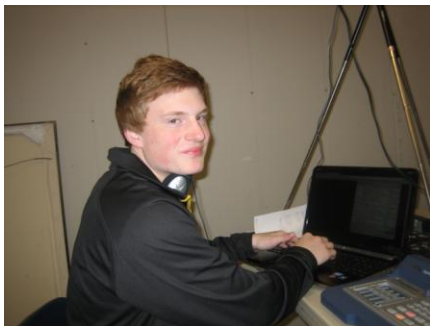

October 2012

Fall Classes and New Venues have begun

Your prayers are being answered! We have asked our support team to join us in prayer for God to open new venues throughout Alaska and God has opened two completely new locations.

New teaching venues were developed in September in Kodiak with 15 new students beginning classes. We had our first simulcast from Kodiak on September 8th when Life of Christ was

Jordan Kesler, producing Wade's New Testament Survey class

taught. On the same day Old Testament Survey was simulcast from Sitka in Southeast Alaska with more new students. I will be traveling to Kotzebue and teaching two classes and ministering on Sunday. A week later I'll be traveling to Dillingham and then to

Togiak for more classes. In our October classes, taught on the 6th, we had a student signed in and was taking class from Belgium. AKSOM is off to a great start this year.

DSOM Meeting

The annual DSOM meeting was held in Springfield this year. The sessions were very informative and visiting with colleagues and friends was an added treat. DSOM is continuing to grow with more Districts being added yearly.

Canada Outreach

This coming December, we will be having our first simulcast from Whitehorse, Canada. We have had students taking classes via of simulcast but have also asked us to come to Whitehorse and teach a live simulcast from there. This provides an excellent opportunity for members of the congregation to sit in one of our

classes and see just how easy it is to increase their knowledge and understanding of God's Word.

Our Support Team

To the faithful members of our prayer and financial support team we would like to express our sincere thanks for your sacrificial giving. We realize the sacrifice and never want to fail by not giving thanks!

We are still praying for an open door in the northern part of our state to take AKSOM classes. This is the only area we have been unable to take our classes. There are many people we would like to disciple in this region of our state. We know that God will open the door at the right time. Please continue to pray God will open this door to us.

Ministry Multiplication with Simulcast Equipment

The Children's Department of Alaska will be simulcasting a One Day Children's Ministry Training Event from Native Assembly of God on October 20th. This will allow anyone in Alaska interested in this training session to attend as long as they have the internet downloading capabilities on. What a Blessing!

A Note from Susan

It has been a busy summer and even busier fall. Wade has been traveling and we have had almost non-stop company, still I wouldn't trade this life for anything. I am truly blessed.

The AKSOM office is busier than ever with new students coming on line while others are completing their program and seeking credentials with the Assemblies of God. What a privilege to be able to have a part in their development into men and women of God.

I wish to encourage each of you that you are also playing a part in their development as you pray for this ministry. Thank you for your prayers.
