

AKSOM.

The Alaska District School of Ministry, AKSOM, started in January with 23 students and has grown to more than 170 students this fall.

It is so exciting to see the hand of God move in such a miraculous way and to be a part of such a vital ministry preparing ministers here in Alaska. We are one of twenty-three Districts which are a part of the DSOM movement. New applications are coming in regularly. To quote a friend, “we are busier than a mosquito in a nudist colony. -- The possibilities are endless.”

BGMC.

We have truly been blessed by BGMC. They provided the equipment we are using when we travel to the different venues throughout the state. Now that we are going to be traveling to villages, this equipment is a greater blessing than ever.

Susan is video-taping classes as they are taught and then converting them for use in the villages with only one or two students. They can soon be hung on the web as well.

We now have students from Ketchikan to Barrow and Tok to Savoonga. Also, beginning this fall we will be

teaching in Southeast Alaska at Juneau, 3 times a year. There is a new study group in Dillingham, Emmonak, Kotlik. Kotzebue will also be coming on line shortly.

Visiting Work-Team

In July we were blessed by a work-team from El Cajon, California. While they were here we completed several “much needed projects” including a new shingle roof on the home of one of our missionaries, a new sound booth, and new tile floors in the ladies and men’s restrooms at Calvary Church Assembly of God.

They also finished off a tile floor in a bathroom at the parsonage and had a day left over for halibut fishing at Homer, Alaska. Pastor James Bedsoe and his work team were a tremendous blessing!

A Note from Susan
