Pastor Gil Nantes interprets in Spanish as Wade teaches

Classes Now In Spanish

AKSOM has begun teaching classes in Spanish. So far there have been two classes, Life of Christ and Personal Evangelism. Students were very enthusiastic as they began their classes leading to credentialing with the Alaska Ministry Network.

The Spanish curriculum was provided by the New York District School of Ministry and we are teaching the class with Pastor Gill Nantes interpreting in Spanish for the students.

Recent Trips to Bush Alaska

I had the opportunity to travel to both Togiak and Dillingham in Bush Alaska during February to teach three classes. It was a real treat for me to visit with Joseph and Lucy Andrews, the pastors at Togiak, for three days before flying to Dillingham to teach the third class where Pastor Debbie and Dave Milligan are working.

Trip To CHINA

For those of you who missed it in our Christmas letter, I've been invited to join a couple traveling to the city of Chengdu in southern China in June. Phil and Rebecca are AKSOM students completing their ordination courses and Rebecca was born and raised there.

We have been preparing classes complete with Power Points in Mandarin to facilitate student learning. People meet in homes for Bible study and prayer with usually no more than 10 at a time. Phil and Rebecca will be introducing me to the groups which will help me to build trusting relationships even more quickly.

This seems to be an "open door" which may allow for the furtherance of the Gospel in an area of great need and also help fulfill a dream of mine which has been dormant for many years.

We realize that many of you who support us on a regular basis do so sacrificially. However, if the Lord speaks to you about a "one time" gift to help with the China trip, US Missions has set up an account for gifts toward these expenses. The account number is **2172229 (Class 60, June Trip to China)** and you may send your gifts to:

**US Missions
Assemblies of God
1445 North Boonville Ave
Springfield, MO 65802**

To complete the budget for the trip, I still need \$2,500. Just 25 people giving \$100 or 50 people giving \$50 and our goal is met. Once again we say thank you for all you do for missions.

Note from Susan

As you can see we have been busy as usual with more to come. I am working hard so that while Wade is in China I will have time to spend with Constance, our granddaughter, who will be coming for a visit. I will have her all to myself for the last two weeks of June, then will have to share her with Grandpa when he returns, with great stories I am sure.
