Itineration Trail

Missionaries visit supporting churches and develop their Prayer and Financial Support team on a regular basis. Normally, this takes place after four years of service on the field followed by a year of furlough, or itineration. Because our ministry is largely involved in teaching and discipleship from September through May, we generally complete itineration during the summer months every other year. This summer (June and July) we are visiting churches in the Peninsula/ Florida District. The churches we have visited thus far have been extremely hospitable and a real blessing!

Sharing Ministry in Alaska

We have the opportunity to share our ministry through our Power Point and items on our display table in the foyer. We remembered how when we were young, how Missionaries visited our church with all kinds of "items of interest" from the country where they ministered such as carved items, blankets, and once a twenty-or-so foot snake skin. As a

result, over the years we have developed quite a collection of

items from Alaska that congregations just love to look at or touch.

Sharing with Young People

It is really nice when churches ask us to share with their young people. Recently, we had the opportunity to share with the youth at Ruskin, Florida. They were very interested in our ministry and the items we shared especially the Eskimo yoyo and my wolverine hat.

Camp Wilderness

We are staying at Camp Wilderness just south of Fort Meade, Florida. The camp is a beautiful setting with lakes, stream

and trees with Spanish moss. Staying here at the camp allows affords us the opportunity to travel by car to the churches we are visiting while we are here.

Note From Susan

I want to thank everyone who asked to receive our Newsletters via email, it really helps cut our postage costs. However, my mailing list is sadly out of date, and many emails come back as undeliverable, so it is time to start from scratch and build a new list.

If you would like to receive your newsletter via email, please email me at scogan@ymail.com. Also, please remember to let us know if you change your address, (both physical and email) so we can keep our mail lists up to date.

Thank you.
